Credit will be applied up to the total amount of your tuition obligation.
The program is available from January 1st through May 15th 2010.

**New advertisements are defined as the following:*

- Any person, family, business or organization that has never paid for advertising with the school in the past.
- Advertisements from previous contributors and/or advertisers: where the advertisement exceeds their largest annual campaign gift or advertisement since 2005, in which case 50% of the increase is eligible for the discount; or, who have not made a contribution or placed an advertisement since 2005.

The IRS requires that we file Form 1099 in the amount applied to your tuition, therefore, you must provide your Social Security number to participate in this program. It is understood that you will be responsible for any tax burden on the percentage of income contributed toward your child(ren)'s tuition.
