

Have you checked out [FindYourSummer.org](https://www.findyoursummer.org)? This new site features hundreds of searchable summer programs for Jewish teens - so everyone can discover summer experiences as unique as they are.

We need your help to spread the word about [FindYourSummer.org](https://www.findyoursummer.org) to Jewish teens and their families! Please visit the site and share it with your friends and community.

Teens in grades nine through twelve can filter their searches based on exactly what they're looking for in a summer experience, from surf camps to social action projects, international travel to art workshops.

This project has been an inspiring collaboration with UJA-Federation of New York and the Jim Joseph Foundation, because we all believe that Jewish teenagers need something different. **Our vision is for more Jewish teens to grow up having fun, meaningful, Jewish summer experiences - and [FindYourSummer.org](https://www.findyoursummer.org) helps make that possible.**

Check out the site, let us know what you think, and help us spread the word.

P.S. **We can help!** Lots of the programs we feature offer scholarships for families in the New York metro area, making amazing summer experiences more affordable. Look for the green check mark next to program listings at
