

SCHECHTER'S BIRTHDAY BOOK CLUB

WHAT IS IT?

Schechter School of Long Island's Birthday Book Club gives parents and family members the opportunity to donate books to our school library in honor of their children. What better way to celebrate your child's birthday, school achievements, lifetime events and promote the love of reading than adding a brand new book to the library in their name!

For every \$25 donated, we purchase a new book for the library in honor of your child.

MOST IMPORTANTLY, 100% OF YOUR DONATION GOES TO THE LIBRARY.

DONATE ONLINE – It's quick and easy!

1. Go to mackinfunds.com. Enter code **f54e** to view Schechter's Birthday Book Club webpage.
2. Take a minute to learn about the Birthday Book Club and how to participate. Click on the **DONATE** button to make a contribution on behalf of your child!
3. Make sure to include your child's name, grade, and birthday with your donation.
4. Donated books will include a customized bookplate honoring your child.
