

SSLI High School Tzibur Club

invites all K-12 SSLI Parents to the

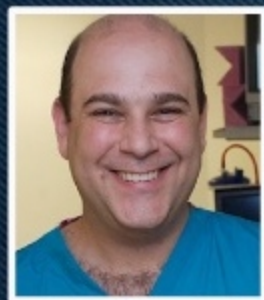

Medical Ethics Symposium

Wednesday, February 24, 2016

10:15 am – 11:00 am

Williston Park Campus

Keynote Speaker, Dr. Stephen Palter (SSLI Parent)

Dr. Steven Palter is the Founder and Medical and Scientific Director of Gold Coast IVF in Syosset, NY. He is internationally recognized as a leader in the field of fertility treatment. His work is frequently featured in the press, including Newsday, CBS News, and the New York Times. The leading news program 20/20 featured his work in a special segment, as did National Geographic.
