ABOUT THE SID JACOBSON JEWISH COMMUNITY CENTER...

Sid Jacobson JCC provides a full range of recreational, health, fitness, educational, cultural, arts and social services programs. Leading the JCC is a talented and dedicated Board of Directors; a group of community members who volunteer much of their time. The Athletic and Cultural Enrichment (ACE) Center for children is committed to providing children in the after-school program with the safest and most nurturing environment. Our stimulating and educational programs allow children to grow physically, intellectually and socially. JCC membership is open to people of all ages, all faiths and all backgrounds.

Registration

A registration form is included with this brochure. If you are interested in enrolling your child in this program, please complete the form and mail it with full payment to: Sid Jacobson JCC, 300 Forest Drive, East Hills, NY 11548, Attn: Solomon Schechter After-School Program. If you wish to receive a TAX ID form, please request one by calling Norma Reisen at 516-484-1545, ext. 174.

Your Child's Day

The after-school program begins at school dismissal. Children meet in the program's central meeting area where attendance is taken and snack is given out.

Friday, 2:45pm: Parent pick-up in the auditorium

The Enrichment Program

There are a number of enrichment classes that are offered for each semester. The programs described in this brochure indicate the appropriate grade level for each class. Some classes are cyclical, while others are continuous. Please review the course descriptions carefully. Many courses have a limited number of spaces. All applications are entered in the number that they are received to the JCC.

Program Closings

Whenever school is closed, the after-school program is closed. If Solomon Schechter cancels other after-school activities, this program also will be closed. The after-school program may also be closed due to inclement weather. For this reason, please make sure that all emergency numbers are kept updated.

Fees and Payment Policy

The program runs in two semesters and follows the calendar listed below. Registration for enrichment classes will occur two times per year. Payment is due at the time of registration, and there are no refunds or make-ups for absences or missed classes.

The JCC offers a sibling discount of 10% for every child after the first (higher fee prevails). Some classes have additional material costs (including Karate and Cartooning). Financial assistance is available based on need. Please contact the JCC for an application.
