Dear 8th Grade Parent:

This is a very exciting year for you and for your 8th grade child as it marks the end of middle school and anticipates all the wonderful possibilities of the upcoming high school experience. No doubt, you are already thinking about where your child will spend the next four years.

To help you in your decision making process, please accept our personal invitation to you and your child to join us on **Sunday, November 8, 2009 at 10:00AM**, at the Solomon Schechter High School of Long Island's **Open House** Event. There you will have the chance to learn about our extraordinary Judaic and General Studies curricula, to meet our outstanding faculty and members of our student body, and to get answers to any questions you and your child have about our school.

We at Solomon Schechter High School of Long Island are proud of the fact that our graduates are accepted to the finest colleges and universities in the nation. We are equally proud that our graduates go into the world equipped with the skills they need for success, and imbued with a meaningful understanding of Judaism that will last throughout their lives.

If this is what you want for your child as well, please call Adele Spickler at (516) 656-5500 ext. 1228 or Kim Charon at ext. 1227 to reserve your seat at the **Open House**.

We look forward to seeing you on **November 8th**.

Sincerely,
