

Dear SSDS Families:

For my Mitzvah Project, I am raising money for **Meir Panim**, which is a non-profit organization that provides meals and services to the less fortunate people who live in Israel. To raise as much money as possible, I will be raffling off a hand painted vase, which was designed to commemorate Israel's 60th Birthday. Here are photos of both sides of the vase:

- The vase is made of glass and is 12”H, 8”W, 2 ½ “D.
- It is **\$5 per ticket** but for \$18 you will get 4 tickets.
- The raffle will be held on April 15th.

If you would like to help me out, then please either give me the money in school or send it to my home: **95 Rodeo Drive, Oyster Bay Cove, NY, 11791**. If you want to pay by check, you can either make the check out to me or to Meir Panim and I will forward all checks to them. I will fill out the raffle tickets based on the amount of the donation and let you know if you are the winner.

Thank you for helping me do this Mitzvah.

Daniel Meyerson, 7th Grader
