

## MID-ISLAND Y JEWISH COMMUNITY CENTER SUMMER SHLICHIM PROGRAM

Open your heart  
and home...

Each summer, the JCC brings “Israel” to our day camp through the Summer Shlichim Program. An Israeli counselor specialist will spend all summer at the Henry Kaufman Campgrounds sharing Jewish culture and the spirit of Israel. Families in the community have the unique opportunity to host this “special ambassador” in their homes for two weeks.

***If you are interested in hosting our Shlichim  
during the summer, please contact
