Invite your friends!

What do Matzah balls have to do with the first day of school and family fun?
Come and find out!

Do you have more questions? Meet Tehilah Eisenstadt, HJC's Religious School, Youth and Family Education Director and ask away!

We can't wait to see you!

What 's the most important thing to get across to Rakevet members from Chaverim to Kadima to USY? Maybe I should make a list, that always makes me feel better. Good idea...

- 1. People should know that we are 100% dedicated to fun!*
- 2. Oh, and people should know that the new youth staff is dedicated to coming up with surprising new programming AND we're also very into getting feedback on what would be the most meaningful.*
- 3. Getting together for fun and hanging out is VITAL. Doing meaningful things together to make our world a little bit better than it was the day before is also something that will make our time together exciting.*
- 4. I am so excited to meet everyone, we already have so many exciting things planned for the new year I can't wait to start!*
- 5. Getting the calendar of events to everyone is probably really important too...I should send them the next two months of program dates.*
- 6. Our commitment to safety, to the many different people, faces and families of the Conservative Movement is also something I should mention somewhere...*
- 7. I should keep my note short no matter what there's just so much to do and read this time of year!*
